

CREW PORTLAND ANNUAL NONPROFIT SPONSORSHIP

Commercial Real Estate Women (CREW) Portland believes in supporting the local community and, in particular, supporting programs and organizations that benefit women and/or children. To that end, CREW Portland annually selects a nonprofit organization supporting women and/or children to sponsor as the beneficiary of CREW Portland's charitable efforts. Organizations interested in applying to be selected as the annual charity are encouraged to complete the attached Nonprofit Application.

About CREW Portland

CREW Portland was established in 1992 and is currently 141 members strong and growing. Our members represent nearly all disciplines of the commercial real estate industry, including brokers, lenders, architects, attorneys, appraisers, developers, and executives in some of the largest national companies.

CREW Portland is a member organization of the CREW Network, a nationwide strategic alliance of local commercial real estate organizations. The mission of CREW Network is to advance the success of women in commercial real estate. Since its founding, the deal-making opportunities for the members has expanded nationally and internationally. CREW Network is the only national network of commercial real estate professionals from all disciplines of the commercial real estate industry and currently consists of 68 chapters across the United States and Canada representing more than 8,000 individual members.

Selection Criteria

To be considered for sponsorship by CREW Portland, the nonprofit organization must meet the following criteria:
