

Women in Construction Week

In celebration of **Women in Construction Week**, The Portland Business Journal is offering CREW members a special advertising opportunity to showcase your firm and highlight the work you do to promote the advancement of women in the industry to the Business Journal audience.

Participants are encouraged to utilize their space to spotlight an employee, resource group, or submit a piece of thought leadership. Complimentary design services available upon request.

Spotlight Profile Feature:

Headshot, 150 words (quote on how you are driving change in construction, how you broke down barriers, advice to women in construction, or what you wish for next generation of women.
